Sir,

Land Acquisition (South Kanara) - Mangalore Taluk - Hejmadi and Bappanad Villages- Approach roads- Proposed bridge -across Mulki River - Mangalore-Bydnoor - Coast Road - Draft proposals- Section 4(1) - L.A.Act-Submitted.--

---

The Divisional Engineer (H) Special Division (Bridges) Mangalore, has applied for the acquisition of certain plots, in Bappanad and Hejmadi Villages of ~~Mang~~ Mangalore Taluk of this District.The acquisition of the plots has been sought, for the purpose of forming approach roads leading to the bridge proposed to be constructed over the Mulki river. The river flows in between the two villages of Bappanad and Hejmadi, and therefore it has become necessary to acquire lands in both the villages. In G.O.No.2224 P.W. d/ 24--6--54, the Government approved the execution of the Mulki bridge, at mile 18/4 of the Mangalore Byndoor Coast-Road. The Divisional Engineer reports that there is an allotment of Rs. 5.0 lakhs in the current year's (1955-56) budget for 1956-57 to meet the expenditure on the work.

Not put up.

Item (2) under South Kanara Dt for ₹ 52 C.W Budget 1956-57

2. The plots proposed to be acquired in both the villages are registered in the Revenue Accounts, either as wet, garden or dry. The entire extent of the plots proposed to be acquired in the two villages, is 11.45 acres and the cost of acquisition is estimated at Rs. 64,000/- Enquiry shows that the plots do not contain any religious edifices such as tombs, grave yards or temples etc. except a "Nagabana"(Serpent Shrine) in S.No.53/4 B of Bappanad Village belonging to Sri U. Shrinivasa Shanbogue. He has given his consent in writing that he has no objection to the acquisition of a portion of S.No.53/ 4B containing the serpent shrine

provided he is paid adequate compensation for shifting it to another place. His request will be considered at the time of the54 enquiry and reasonable compensation paid to him if it is considered that he will have to incur some expenditure for shifting the Serpent Shrine. Some of the plots proposed to be acquired in both the Villages, contains substantial residential buildings, cow-sheds and also garden trees. I therefore do not propose to invoke the urgency provisions of Sec. 17 of the L.A. Act in this case. Formation of a bridge over the river in question is a long felt necessity by the general-public and the acquisition is, therefore, in the public interest The plots are arable.

3. I submit herewith in duplicate, a draft notification under section 4(1) of the L.A.Act and request that it may be approved and ordered to be published in the official Gazette.
